

Project

Due to the current climate, we have set the following half-term's homework project. If there is a school closure, aim to complete this and the tasks on the reverse.

This half term's project will be about a country that is important to you in preparation for our International Week. You can use any information that you have gained from visiting the country or from talking to family members and friends but you should also use the internet for research and books for the library as long as you put the information into your own words.

You can present your project in any way you choose, but you should include some artwork and at least 2 full pages of writing.

You may like to include:

- Where the country is (a map and facts about it and its continent)
- Information & facts about the place (languages spoken, food and drink, clothes, music & art famous people etc)
- Diary entries in role showing a typical day in the life of someone who lives there
- Poems about the country
- A story set in this country.
- Models of artefact/sculptures etc from this country
- Pictures of the people/artefacts/artwork from this country
- Any photographs you have

Maths

Work on your number star targets with someone at home. You can make up your own questions and you should also complete your Number Star homework booklet.

Remember to also do your TT Rockstars daily!

Spellings

Practise spelling words with the graphemes and phonemes/spelling rules that you are learning in school. You will be given a list and a word search with some of the words that they would like you to focus on. Work on these and explore other words which use the same sounds or spelling rules.

Reading

Remember to access your Bug Club reading books at home and read them daily or at least every other day. You should ensure you are answering the questions set and discussing your reading with an adult.

You can also read books from the school library or the local library.

Extra tasks to complete related to your homework project.

- Write a profile/biography about a famous or well-known individual from your chosen country.
- Does the country have a famous landmark?

Explain what its purpose is, draw an image of it or create a model of it.

- Create a poster to advertise it.
- Is there a particular type of music or instrument from your selected country?

Can you write a song in the style (lyrics)?

- Are there any well-known stories/myths from your chosen country?

Can you write a diary entry in role as one of the main characters from it?

Can you re-write it so it's modern or can you change the ending?

- Create a persuasive travel brochure for your chosen country? Include pictures, geographical information and facts as well as descriptive paragraphs.
- Can you investigate language from your country? Could you write some sentences in the language?
- Are their native plants and animals from your country? Could you make an information page about it? Remember to include labelled diagrams and paragraphs with sub headings.

If you don't have the internet/books for research about a real country:

- Design your own country, think about; laws, it's name, flag, money, language, mapping, climate etc. Write an information text about it.
- Make a model of your own invented country, showing the landscape, animals, plants etc.
- Does your country follow a certain religion? More than one? Choose an aspect of the religion and write about it.

Extra tasks based on TV programmes, films & books:

- Write diary entries in role as the main character(s)
- Write a newspaper report based on an incident
- Write an alternative ending to an episode/book/film

Watch educational programmes such as Newsround, Horrible Histories & Go Jettors
