

# Year 6 Homework

## Online learning

**Education city:** Work will be set every Monday and Wednesday for a range of subjects. Please work through all the tasks.

**Bug club:** Read daily on Bug club. Your teacher will ensure you have enough books

**TT Rockstars:** Work on TT Rock stars daily.

## Reading

Read a range of texts, newspapers, leaflets, online articles and discuss with family members.

Read on Bug club daily.

## Spellings

Continue to learn the spellings from the '3 and 4' and '5 and 6' spelling lists. If you have lost your copy, there will be a one on the school's website. You could learn your spellings by:

- Creating a word search
- Look, say, cover, write, check
- Create a poster with words you struggle with
- Group words with similar spelling patterns
- Write down the definition of the word
- Write the word in a sentence

## Maths

Work through your number star booklet in preparation for your next number star test. If you have completed it, make up some questions that link to your number star targets.

## Becoming a historian ...

- Keep newspaper clippings or write a headline each day based on the news you have read or watched
- Create a journal, diary, make a drawing or write documenting the events happening in your community and country.

These primary documents will become your own personal historical event. You will be making history instead of just studying it.

## Extra tasks based on news, TV programmes, films & books:

- Write diary entries in role as a main character(s)
- Write a newspaper report based on an incident
- Write an alternative ending to an episode/book/film

Watch educational programmes such as Newsround, Horrible Histories etc

## Project: Where I am from and where I am going

In the Summer term, our project will be based around 'Where I am from and where I am going'. Below find a range of activities for you to complete in preparation for this topic.

- Write a letter to the first teacher you ever had, explaining your journey through primary school
- Write a letter to your new form tutor about how you feel moving on to secondary school
- Write a letter to your year 3 self, giving advice based on what you know now
- Create a timeline of key events in your life
- Create a timeline of key events that have happened in your school life
- Create a poem where every line starts with 'I am from' or 'I am going'
- Create a collage of your best memories (you may want to use cut outs from magazines)
- Draw a picture of yourself now and another of what you think you'll look like in 50 years
- Create a piece a technology you think will be out in 50 years and explain what it is
- Research where you/your family are from. Research the country you are from, what does their flag look like, any famous people from that country, any special foods or celebrations
- Create a family tree
- Write down what your dream job is and why
- Write a letter convincing your future boss to hire you

Within this unit we will also be learn about Ancient Greece. Research and create a project.

This may include information about the titles below.

(If you do not have access to the internet or books on this topic, use the titles below to create a country of your own and explain what the things below will be like in your country).
