

Y6 Maths task- Monday 22nd – Friday 26th June

This week, we would like you to work through the White Rose lessons for Summer Term (Week 2).

To find the lessons...

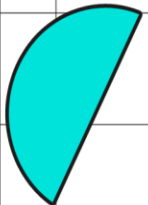

1) Click on this link (if you cannot click on the link, copy and paste into your web browser):

<https://whiterosemaths.com/homelearning/year-6/>

2) Scroll to the bottom and click on the section headed:

'Summer Term- Week 2 (w/c 27th April)'

The work for this week is looking at angles in special quadrilaterals and regular polygons. Then moving onto problem solving activities.

Watch the video clips and then complete the quiz for each lesson-this can be found on PurpleMash.
