

# Monday 29<sup>th</sup> June – 3<sup>rd</sup> July 2020

Hello year 3!

This week your tasks are linked to PHSE, ART, and GEOGRAPHY.

- In GEOGRAPHY we will be learning about our continents.
- In PHSE we will be looking at good manners.
- Observational drawings will be our ART focus.

Antarctica

Asia

Africa

North  
America

Australasia

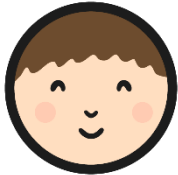

South  
America

Europe

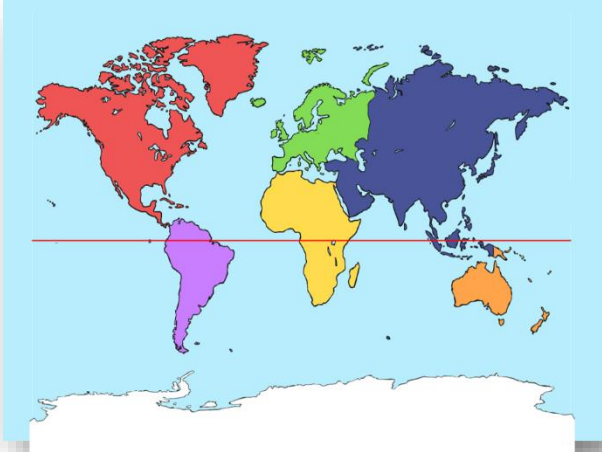

Our Continents  
Name the 7 continents using the vocabulary in slide one.

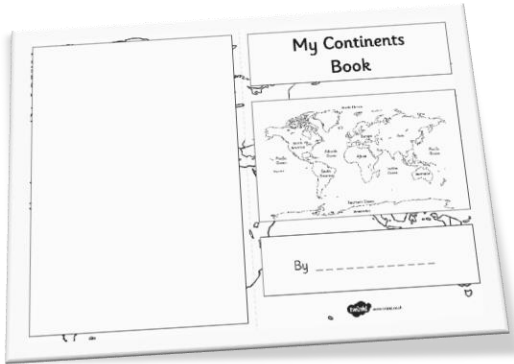

Research It

Use the internet to find three facts for each continent.

Use the Internet to find out interesting facts and information about the seven continents.

You will make for yourself a lovely mini handbook. Then record your facts about the world.

# YEAR 3 PHSE WORK

## Good manners

We hope that you have continued to show good manners to all the people around you. Using good manners will help you to feel good about yourself. Also to be proud of your behaviour. Other people will also appreciate your good manners and you will make them feel good too.

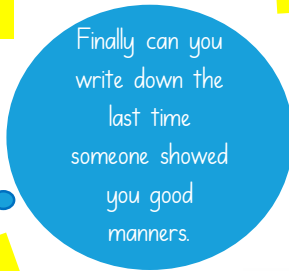

What did they say?

How did it make you feel?

Finally can you write down the last time someone showed you good manners.

What happened?

Using the garden of good manners, show how you can use these flowers in your everyday life. Be creative you can make your own flowers using paper, pencils and colouring pencils or real plants.

# YEAR 3 ART WORK

This week we are going to be doing observational drawing. It means drawing what you can see in front of you. It can be a flower, a person, a landscape etc.

link

## Activity

Take a walk in your garden or your nearest park. Choose a flower and draw it adding all the details. Discuss your ideas with the adult you are with. Have fun!!

## What you need

Paper or sketch book, pencil and colouring pencils
