

# Year 4 English Work

Mon 8<sup>th</sup> June – Fri 12<sup>th</sup> June 2020

We are going to watch the rest of this film this week and set three tasks based on this film. Please complete them this week and contact your teacher if you need any help. (You can email them on Purple Mash or phone school.)

## Task 1:

Today we are going to watch a bit more of the film, but still not all of it. You can find it by following this link: <https://www.literacysshed.com/the-other-cultures-shed.html>

It is the third image you see and is a film called 'The Catch'.

Pause the clip at 1:40 **Do not watch the rest – we will do that tomorrow, I promise!**

Think about what has happened so far and what the boy might be thinking at this point.

Think about:

- Why is he chasing the fox?
- What will happen if he doesn't get the fish back?
- Why is he looking back at his village?
- What do we learn about the village by the picture?
- Why does the boy look back at his village?

Now think back to the boy – what have we learnt about him.

Complete the task on the next slide...

Task 1:

This is what the boy's village looks like:

Write three differences between where you live and where he lives.

## Task 2:

Today we are going to watch to the end of the film. You can find it by following this link:

<https://www.literacysshed.com/the-other-cultures-shed.html>

It is the third image you see and is a film called 'The Catch'.

Think about what has happened so far and what the boy might be thinking at this point. Think about:

- Why the fox took the boy's fish?
- Where they have ended up?
- What might the boy be thinking?
- How might he be feeling?

What do you think the boy and the fox would say to each other? Complete the task on the next slide, writing up what you think each one might say. Think about what the boy might say to the fox and also what the fox might say to the boy, try to include all the information such as how the fox felt when he was rescued and how the boy felt when he thought that the fox had stolen his fish.

Task 2:

### Task 3:

Re-watch the film we watched yesterday to the end of the film. You can find it by following this link:

<https://www.literacyshed.com/the-other-cultures-shed.html>

It is the third image you see and is a film called 'The Catch'.

I would like you to think of everything that happened in the film from the point of view of the boy. Imagine that you are the boy, think about:

How you felt at the start of the day when you were trying to catch a fish.

How you felt when you finally caught a fish (after perhaps hours of waiting)

How you felt when you saw how small the fish was.

How you felt when the fox ran away with your fish even though you had set him free.

How you felt when you saw that the fox had taken you to a huge lake to fish.

### Task 3:

Your task is to write a diary entry in role as the boy, describing your day.

Remember to:

- Start with an introduction summarising your day, then write in chronological order and end with a concluding sentence about your hopes.
- Use conjunctions to explain your thoughts and feelings in detail.
- Vary your sentence openers (include some ed, ly, ing, openers).
- Organise your writing into paragraphs.
- Think carefully about punctuation.
- Check and edit your writing when you finish.
- Include some WoW words in your diary entry.  
(from this week's and last week's choices)

We know you have amazing diary writing skills so can't wait to read them all. 😊
