

Year 4 Maths Work

Mon 8th June – Fri 12th June 2020

This week, we would like you to work through the White Rose lessons for week 1. To find the lessons...

1) Click on this link: <https://whiterosemaths.com/homelearning/year-4/>

2) Scroll to the bottom and click on the section headed 'Week 2' (Not Summer 2 – we will do that at a later date 😊)

The work for this week is looking at dividing by 10 and 100 and looking at hundredths as decimals. There are 5 lessons, each lesson has a video and a work sheet to go along side it. Try to complete one each day. If you need help accessing the work contact your teacher via the school office or email.
