Task 1

Hmmmm! I'm sure you have a lot of questions. Luckily, your first task is to write those questions down and discuss them with a friend or a family member. You could also send those questions to your class teacher or post them on the year 5 blog on Purple Mash so others can share their opinions with you. They **must** be open ended questions.

Task 1

Here are some questions to add to your list
and for you to think about.

- Where have the stars come from?
- How is the boy feeling?
- What do they do with the stars?

Task 2

Watch last week's clip again. What do you think happened between last week's clip and this week's? Write a paragraph about what you think happened. Use your imagination and clues from both clips. **Click on the links below the pictures to watch the clips.**

Don't start the next task if you have not completed the first two. After completing this task, please do not go back and change task 2.

How did you feel about the present (the brown beret)?
