Task 3

Your task is to create wanted posters for the two characters with vivid character descriptions. It must include a detailed description of their appearance (age, height, eyes, nose, build, complexion etc.), where they were last seen, the crimes they are wanted for, who to contact when one sees them and the reward. It would also be interesting to add some information about their personality. Use your imagination to make your posters exciting and catchy.

You can use the templates on the next two slides or create your own. You could create them in Purple Mash – 2 Publish.

Remember to contact us if you have any questions or support with anything. Enjoy creating your posters.
