Task 1

Design a new school logo and motto for Beulah and explain why you have chosen your it.

Task 2

Write a letter to yourself that you will open when you finish secondary school.

Imagine what you would like to become. How would you like to be portrayed? What do you want people to think and say about you? This letter will be private and should be a chance to open up about your thoughts, feelings and goals.

Things you may want to include in your letter:

What advice would you give yourself when starting something new?

- What would you like to change about yourself?
- How can you improve yourself?
- What are your ambitions?
- What are your goals?
- What are your dreams?
- Who would you like to get to know?
- What new things would you like to take part in?
- If you were somebody else starting a new year at school, what would you tell them?

Task 3

Plan your journey to your new secondary school. Some of you may plan to be driven, walk, cycle/scoot or take public transport to your new school. In this task you will figure out what route or transport you will need to take.

First write down how you get from your house to Beulah Junior school. Your instructions must be clear and precise. Get someone at home to follow your directions on google maps to see if they are correct.

Now you are going to work out your route to your new secondary school. Find the postcode of your new school and put it in to TFL journey planner
