

Year 4 Maths Work

Mon 6th July – Fri 10th July 2020

This week, we would like you to work through the White Rose lessons for Summer Week 4. To find the lessons...

1) Click on this link: <https://whiterosemaths.com/homelearning/year-4/>

2) Scroll to the bottom and click on the section headed **Summer term – Week 4**

The work for this week is some work on multiplication & division then it moves on to perimeter and area. **PLEASE NOTE:** There are no sheets this week, instead there is a quiz that can be found in your 'To Do' list in Purple Mash for each lesson.

There are 4 lessons this week, each lesson has a video on the Whiterose website and a quiz on Purple Mash to go along side it. You should do both parts (video and quiz) and try to complete one each day.

If you need help accessing the work contact your teacher via the school office or email.
