

Foundation tasks

Week 7 Monday 13th July – Friday 17th July

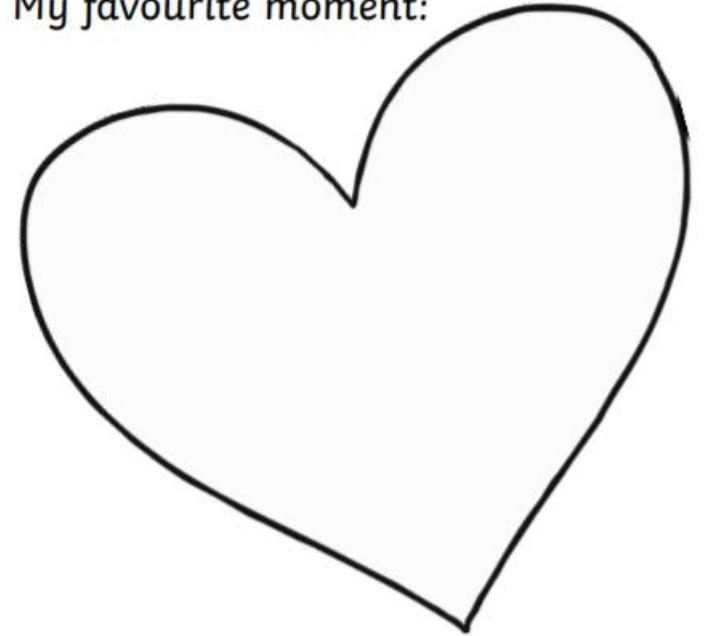

PHSE

What are your favourite memories in year 3 ?

My favourite moment:

What I love the most about this year: _____

Here are some of the fun things you did this year !

Stone Age Day

Natural history museum

Poetry competition

Swimming

World book day

Cinema trip

Enterprise fair

Science museum

Winter concert

History

Let's make a time capsule!

You might be thinking 'what is a time capsule?', a time capsule is a container that is filled with present day things, such as newspapers, photos, letters etc., that is then hidden away in a closet or buried in a garden, for a time, and then opened by your future self.

Write a letter to your future self, here are some ideas of what you could write to yourself below ;

- What you would like to achieve
- How life is like now
- Your favourite memories of this year

Next, find an old shoe box and decorate it the way you like. Place your letter and the items you would like to put in your time capsule inside and seal it up.

We will open the time capsule when you are in year 6!

Art

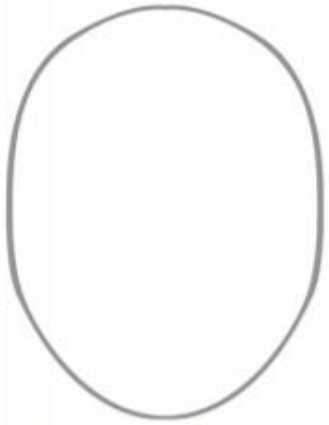

Why not create a family portrait that could go in your time capsule ...?

A portrait is a drawing of a person. It shows a person's face and sometimes part of their shoulders.

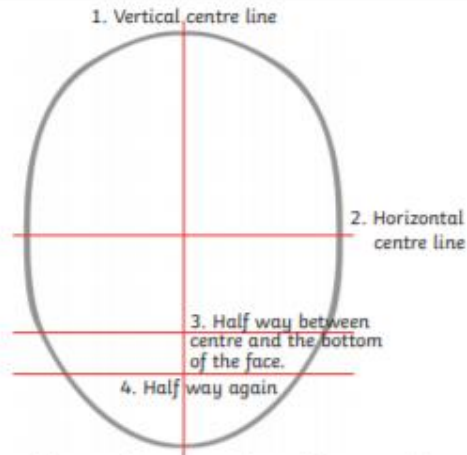

On the next slide use the step-by-step instructions to help you draw portraits of people in your family.

1.

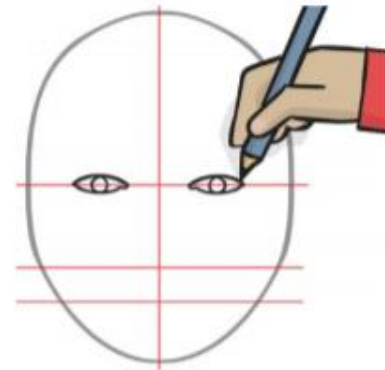

Draw an oval lightly with a pencil. There are ovals included in this pack in case you find it difficult to draw one.

2.

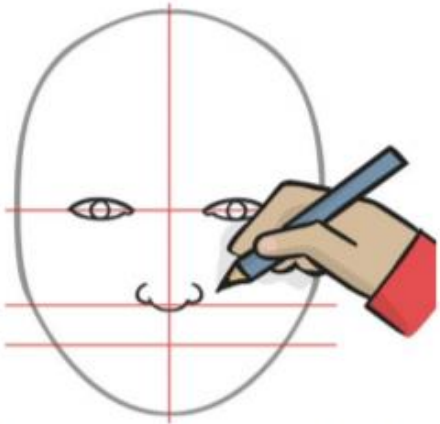

Using a ruler, draw the lines in the order shown. These lines will be rubbed out later so make sure you draw them lightly.

3.

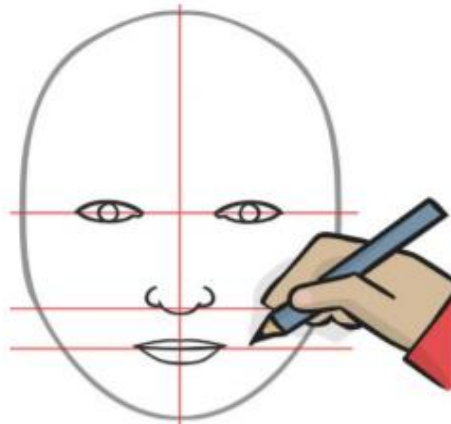

On the middle line, draw the eyes. Both eyes should be the same distance away from the line that goes down the face. The top part of each eye should be above the line; the bottom part should go below.

4.

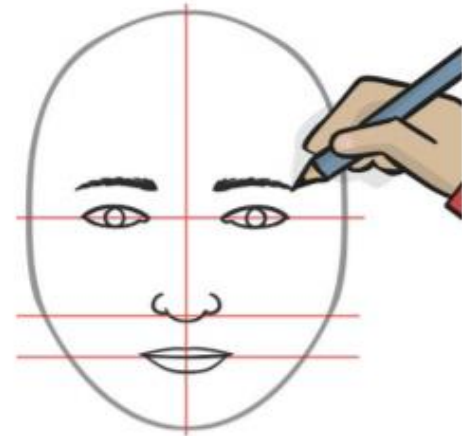

On the line going across below the eyes, draw the nose.

5.

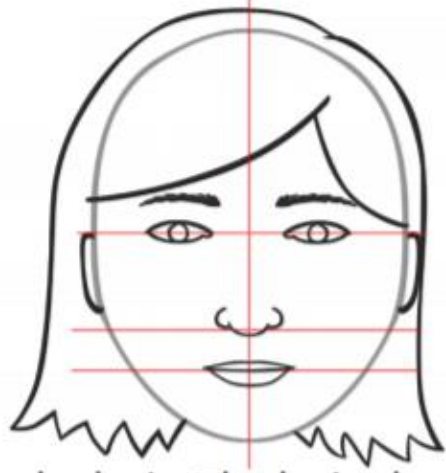

On the line underneath the nose, draw the lips. The top lip should be above the line; the bottom lip should go below.

6.

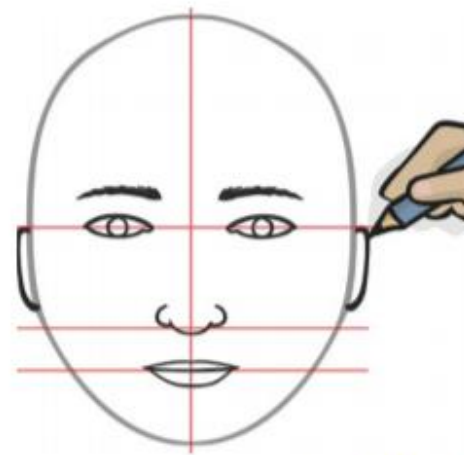

Draw the eyebrows slightly above the eyes.

8.

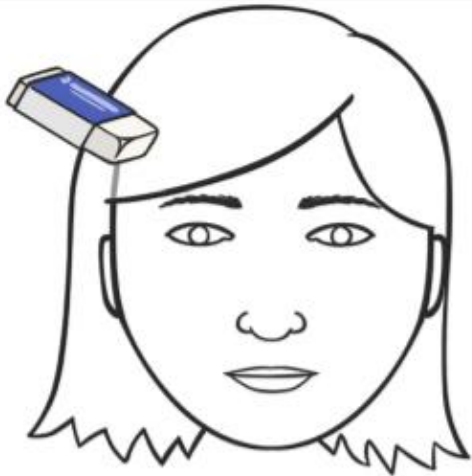

Draw the hair. The hair should start in the oval but go outside of it.

7.

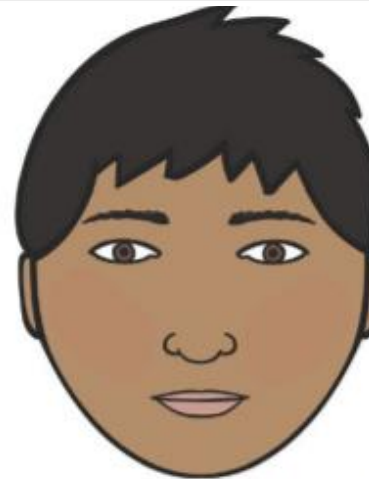

Draw the ears either side of the face. Start each ear on the eye line and finish each ear before the nose line.

9.

Rub out the guide lines used for the eyes, nose and lips. Rub out any of the oval that is covered by hair.

10.

Colour in your portrait. You could use crayons, colouring pencils, felt-tip pens or paint.

Have a great summer
holiday, stay safe and
good luck in Year 4 !
